BOOK LOVERS

Eat that Frog!
by Brian Tracy

first week

Have a great week!
Enjoy reading and learning!

WEEK'S LEARNING TIP

We memorize the information much better
if it's connected with **our own** experience.

So, while learning new vocabulary, make phrases about
yourselves, something you are likely to talk about.
Imagine you talking to your friend/partner/workmate.

IDEAS

INSIGHTS

Weekly Planner

Monday

- Check the tip
- Learn words
- Read
